

The Boyd School

Seven Campuses: One Learning Environment

Serving infants to adolescence the seven Northern Virginia

campuses of The Boyd School boast a wealth of outstanding

Our school has grown from its two classroom, 45 students beginnings

offerings. Throughout our school, superior Montessori

to welcome families on campuses in Reston, Chantilly, Fairfax,

curriculum and programs are carried out by caring,

Herndon, Broadlands and Sterling. We are fully accredited by the

credentialed and highly qualified staff in conveniently

American Montessori Society and the Southern Association of Colleges

located, first-rate facilities.

and Schools/Council on Accreditation and School Improvement.

“We have had the pleasure of attending two Boyd School campuses and experienced the smiles, patience, honesty, friendship, enthusiasm, dedication, and most importantly, grace, from Boyd teachers and administrators at both the Reston and Broadlands campuses. It is an exceptional accomplishment to identify and support strong teams of administrators and teachers in multiple schools.”

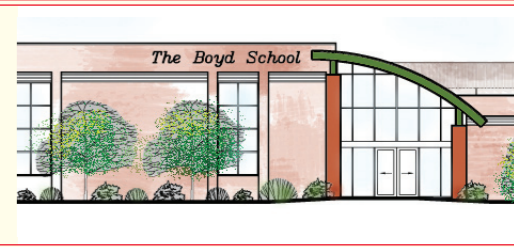

— Deb and Ben Carstoiu, The Boyd School Parents —
